

Massage treatments

Classic full body massage

25 / 50 minutes

€ 45 / € 85

In the classic massage, pressure and traction are applied to the muscles and surrounding tissue. The effect is focused by stretching and relaxing muscles and stimulating blood circulation and cell metabolism. This relieves pain in the affected area.

Foot reflex massage

45 minutes

€ 55

The effect of foot reflexology is multifaceted. Massaging the reflex zones on the foot promotes blood circulation, and in addition, the reflex zones interact with the whole body. Reflexology has a particularly positive effect on the organs.

Combi™ massage

50 minutes

€ 90

Classic back massage and foot reflex massage

Cosmetic lymph drainage

30 / 45 minutes

€ 40 / € 55

Cosmetic lymphatic drainage activates the detoxification process and tightens the skin. It is effective for puffiness in the face and bags under the eyes.

Chinese head and face massage

30 minutes

€ 40

The Chinese head and face massage is considered to be one of the most effective facial massage techniques of all. It improves well-being, relaxes, decongests and firms the face and neck area. Blood circulation is improved, wrinkles are reduced and collagen production is stimulated.

You may reserve your preferred massage at the hotel reception.
